Catch up plan

Academic year 2020/21

Catch-up premium

CATCH-UP PREMIUM SPENDING			
Amount of allocation for 2020/21 academic year:		£16,880	
Barriers: Limited face-to-face teaching due to national lockdown since Christmas			
Actions:	Desired Outcome:	Cost:	Evaluation
Small group or one-to-one tuition accessed through the National Tutoring Programme	Pupils identified as being in need of extra support: Children with lack of/minimum engagement in remote learning or who struggled with lack of access to technology Vulnerable children and those with EHC plans Pupils who have experienced difficult family circumstances during lockdown Those children who have large gaps in their learning	£7,761	Pupils identified from March baseline Tutoring has been provided in Y5 by JB Y4 are being supported by the HT Currently waiting for tutors for grammar in Y3 and 4 from Sunderland University
Provision of on-line resources to support remote learning Enable marking and feedback for remote learning - Kami	Children have access to high quality teaching and learning in the event of a lockdown: Purchase of: Purple Mash / Serial Mash / Reading Plus / Kami/ White Rose / Spag.com / Lexia / TT Rock Stars / Oxford Reading Owls/Test Base	£1,000	This improved the learning experiences for the children Allowed the staff to provide feedback on the work submitted by the children.
Purchase of Speech and Language Package	To improve the speech, language and communication skills of identified children. This targeted support contributed to diminished differences between pupil premium and non-pupil premium children in 2019 and will be continued this academic year to support catch-up	£2,480	Awaiting for the SLA to commence
Relax Kids Service Level Agreement	To help the children learn skills in becoming resilient, capable, self-assured and confident of their abilities. The sessions will help the children to manage their feelings, develop positive relationships and improve social skills. The course aims to help children to understand their feelings and the content will be mindful of the changes they may have experienced during and after lockdown.	£3,600	Two sessions per week being delivered to Year 3 and 4 Extra sessions have been delivered where the need arose Emma to deliver training to the staff - relaxation techniques for the children
Provide Pathways Counselling Service for vulnerable pupils X2 hours per week @ £40 per hour	One-to-one support for social/emotional issues to improve pupil well-being and to ensure pupils are better able to access learning.	£2,800	In depth support has been provided to a number of children due to issues arising after the lockdowns
		Total	£17,641
